

JVGC Monday Night League 2025 Rules

1. The Monday Night League is a 2-Person Scramble League. League play is 9 holes.
2. The first night of league is Monday, April 14th, 2025. The final night of league is Monday, September 15th, 2025. There are 22 weeks of league. The Year-End Tournament is Sept. 21st, 2025, at 2:00 p.m. There is no league play on the following dates:
 - a. Monday, May 26th, 2025
 - b. Monday, September 1st, 2025
3. Teams may play at any time during the day provided they have a tee time. Tee times may be booked online or by calling the Pro Shop. It is **recommended** that you play with another twosome; however, you may play with non-league members to witness your round if necessary. **The Pro Shop can provide a witness if proper notice is given.**
4. If you cannot find a substitute, you may still play a league round. Your league round will consist of you playing your own ball for 9-holes. However, you will have the option to use 1 mulligan per hole, except for par-3 holes.
 - a. There are no restrictions on who can play as a substitute during normal league play.
 - b. If you need to bring a substitute during the year-end tournament, that substitute must have played at least one round in the Monday Night League.
5. Normal Scramble Rules apply. Each player on a team will tee off, choose the better shot, and play from that location. They will continue this process until the ball is holed.
 - a. Teams must attempt to recreate the lie of the ball chosen as closely as possible within 1-club length. The lie of the ball may not be improved.
 - b. If the team selects a ball in a bunker, the player whose ball entered the bunker must play first. The second player will then attempt to recreate that lie. They may rake the area before playing their shot, as needed, to recreate the lie.
6. There is a league entry fee of \$60.00 per team which will be paid in full by the second week of league (April 21st, 2025). **If the league fee is not paid in full by this date, teams will be ineligible for all prizes, and the birdie board, until they have paid their league fee. NO EXCEPTIONS!**
 - a. Bring your wallet each week! If you do not pay, you do not play. No Exceptions.
8. There is a **MANDATORY** weekly league fee of \$11.00 per person. The breakdown is as follows: \$4.00 for Event, \$3.00 for Skins, \$2.00 for Proximities, \$1.00 for 50/50 and \$1.00 League Fee.
 - a. You will owe the \$11 fee each week, whether you play or not. If league is cancelled, no one will owe for that week.
 - b. Prizes will be paid out for 1st place, 2nd place, and 3rd place each week. All ties will be broken by a match of cards using both the USGA Method and Matching by the #1-handicap hole.
 - c. There will be 3 proximity prizes each week. Two Closest to the Pin Prizes which will be paid as cash, and 1 Longest Putt which will be paid as Pro Shop Credit.
 - d. The skins game will carry over if no skins are won.

JVGC Monday Night League 2025 Rules

9. *New to 2025*The Monday Night League will no longer be scored in multiple flights. However, teams will still be sorted into flights based on their scoring averages. All scoring will be based on 4-person, blind-draw teams determined by the Pro Shop.
 - a. League averages will still be maintained in order to establish each team into either an A Group or a B Group.
 - b. Each week, each A Group team will be paired with a different B Group team via Blind Draw for scoring. A and B Groups will be adjusted every 2 weeks.
 - c. Teams will now consist of 4 players composed of two separate 2-Person Teams. Scoring will be 1 Better Ball of 2. (If the A Group Team scrambles a 4 on Hole #1, and the B Group Team scrambles a 5 on Hole #1, the 4-Person Team Score will be a 4 for hole#1.)
 - d. This scoring format will be used to determine winners of the placing prizes and the skins game. Therefore, the first, second, and third place team each week will now consist of 4 players as opposed to 2.
 - e. If there is an odd number of teams, the odd team out will be paired with a blind score of even par.
 - f. If a tie for first place persists, all money will carry over to the following week.
 10. *New to 2025*The league plays alternating sets of tees every 2 weeks using only the White Tees and the Gold Tees.
 11. *New to 2025*If the number of players in the league exceeds 100, we will use both sides of the course. In this scenario, Teams will randomly be assigned to the Front-9 or Back-9. If there are teams that usually play together, they may request to be on the same side and will be accommodated where possible.
 - a. This will also require that teams on each side of the course are sorted into a new A and B group for Blind Draw Scoring.
 12. A Birdie Board is available for a fee of \$20.00 per team. The Birdie Board is for league play only and birdies only count when your team has paid the full fee for the Birdie Board. The Golf Shop will pay out 1st, 2nd, and 3rd place on the Birdie Board.
 13. There is a Hole-In-One Contest available for the year for \$20.00/person. The first person to make a hole-in-one during league play will receive half the pot. The second person to have a hole-in-one will receive half of what remains and so on. Any remaining will be raffled off at the end of the year.
